

5680t Uplink Optical Module

5680t Uplink Optical Module

Huawei MA5680T, one of models MA5600T series OLT (MA5600T series includes MA5680T MA5683T and MA5608T), is the global first OLT which integrates the functionality of ...

Buy Huawei MA5680T MA5683T 2-port 10GE/GE uplink board ...

Huawei MA5680T is a aggregation Optical Line Terminal (OLT), it supports up to 14 service slots (19inch type) and can support maximum 28,000 subscribers (GPON). MA5680T has GICF/X2CS Uplink ...

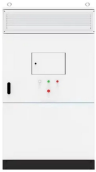

As the first aggregation OLT in the industry, The SmartAX MA5680T integrates the aggregation and switching functions, provide the high-density GPON and Ethernet P2P access, abundant GE/10GE ...

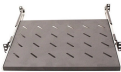

X2CS is an uplink board manufactured by Huawei, primarily serving as an optical module interface board for OLT equipment (such as MA5680T, MA5683T, etc.), supporting both Gigabit and 10-Gigabit rates.

End-to end high reliability design, uplink support BFD/Smart Link/LACP redundancy protection, support EPON TypeB / TypeD and GPON TypeB / TypeC line protection.

The Huawei MA5680T is a high-capacity Optical Line Terminal (OLT) designed for large-scale fiber access networks. With a 10U chassis supporting up to 224 GPON ports and 14 service board slots, it ...

Webit Cabling

Buy Huawei MA5680T MA5683T 2-port 10GE/GE uplink board H802X2CS, configure H802X2CS with 10km 40km 80km SFP+ optical module, download H802X2CS datasheet

Description The MA5680T is a real optical-copper integrated access product, the first of its kind in the industry. It can function as an OLT, MSAN, or IP DSLAM. The MA5680T supports integration of full ...

Huawei Ma5680t OLT X2CS uplink board is a 2 port 10GE uplink optical uplink card of Huawei OLT. This card offers upstream or cascading optical ports.

Conversion module to achieve data transmission. The power supply module provides working power for each function module in the board. The control module is used to report the status information and ...
