

A place in Sierra Leone that processes ceramic inserts

Overview

President Julius Maada Bio is expected to soon open the first tile manufacturing company in Sierra Leone, a major step for local industry and job creation. According to Chief Minister David Moinina Sengeh, the factory might also be the first of its kind in the sub-region. For more than 40 years of experience in the industry, we are fully dedicated in targeting the needs of customers by setting standards for design and quality. Due to constructions and infrastructural projects on large scale in recent years, Lianza Ceramic's fame has risen to greater levels. Since the end of the civil war in 2002 the economy is gradually recovering with a GDP. Afrikta Sierra Leone business directory is the ideal platform for small, medium, and large organizations operating in Sierra Leone.
