

# Armored Solution for U-Shaped Steel Cable Trays

The Steelcase Universal Cable Management Kit mounts beneath worksurfaces with a hinged design that flips down to provide easy access to cords and cables when needed.

Cable Support Systems are well designed to provide necessary support for cable trays, cable ladders and trunkings. Cable supports are manufactured according to common standards from high quality ...

Our cable tray range is available in light, medium and heavy duty, up to and including widths of 900mm. Our easy-fix integrated couplers are simpler, faster and stronger saving on-site time and labour.

The Ladder Tray features light, rugged, tubular steel construction. It is designed for mechanical support and strain relief in long runs of cable and creates a smooth gradual bend for cable.

The acclaimed Griplock® Cable Suspension System lets you adjust the height of each suspension point in seconds without tools, cutting hours out of normal installation times.

Snake Tray manufactures cable trays, power distribution solutions and cost-effective cable management systems for data centers, solar installations, transit & more.
