

Bundle-shaped pigtail single-mode FC-LC

Bundle-shaped pigtail single-mode FC-LC

Find high-quality fiber optic pigtails for reliable network termination. We offer a full range of single mode and multimode pigtails with SC, LC, ST, and FC connectors.

Yes, this Fiber Optic Pigtail is versatile and supports both fusion and mechanical splicing methods for fiber cabling systems. This adaptability allows you to choose the most suitable splicing method for ...

High-quality fiber pigtails with pre-terminated connectors on one end and exposed tight-buffer fiber on the other. Available in single-mode and multimode (LC, SC, FC, ST), customizable, factory-tested, ...

Techlogiks Single Mode fiber pigtails are available in a variety of colours to complement any network, custom configurations and performances. Full choice of available connector types like ...

Leviton fiber optic pigtail kits are a good solution for mechanical or fusion splicing applications. Available in a range of multimode and single-mode fibers with SC, ST or LC connectors. Our premium pigtails ...

Yes, this Fiber Optic Pigtail is versatile and supports both fusion and mechanical ...

CommScope engineers and manufactures a complete line of high quality fiber pigtails

Fiber, Pigtail, Bundle, LC-Single Mode, 12-Fiber Strands, OS2 Fiber, 3 Meter Length

Fiber optic pigtail only has one end of a connector, while the other end is a fiber core break, which is connected to other fiber cores through fusion splicing. This LC pigtail single mode is often found in ...

High quality pre-terminated 900µm optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.

This FC pigtail is a multimode cable with high-grade FC UPC fiber optic connector on one end, another end unterminated. Pigtail can configure single mode or multimode fiber for the specific application.
