

Ceramic ferrule degumming manufacturer

Overview

Find precision-crafted zirconia and cordierite ferrules for fiber connectors or stud welding. Click to compare suppliers, prices, and customization options today! Optics Technology, Inc. is estimated to have 10-49 employees. Custom manufacturer of ceramic, fiber optic, fibre, glass & rubber ferrules. Other products such as miniature gears, fiber optic holders, optical heads. They are made of zirconia ceramic, which offers the highest performance and durability of all ferrule material types. We supply ferrules (completed with paper and gasket) to a very large range of Industrial plants, mainly Sulphur Recovery Units (Reaction. Blasch ceramic ferrules provide more effective waste heat boiler tube protection and allow for much greater design flexibility than traditional refractory systems. Key manufacturing regions include Jiangsu Province (notably Lianyungang and Yixing), Guangdong (especially Shenzhen), and Shanghai.

Ceramic ferrule degumming manufacturer

Industrial Ceramics supplies a full range of custom boiler protection tubes (ferrules) and custom insulating gaskets for use in high temperature boiler. Some typical ferrule designs are listed here.

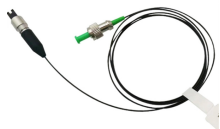

Manufacturer of ceramic parts for non-ferrous metal, mining, industrial process heating, power generation, petrochemical and chemical industries. Products include crucibles, nozzles, rods, ...

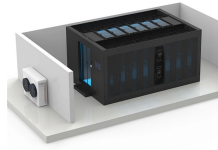

For specialized applications, we can design custom ferrule assemblies with high-precision flanges made of various materials, including stainless steel, nickel plated brass, or copper, to meet your exact ...

Our skilled workforce is capable of fabricating precision ceramic, plastic, and metal components from simple to complex geometries in a 50,000 sf facility. Learn more about our facility and fabrication ...

Find your ceramic ferrule easily amongst the 5 products from the leading brands (Milvent Technology, C2G SOUDAGE INNOVATION, T& S Communications, ...) on DirectIndustry, the industry specialist ...

Find Ceramic Ferrule related suppliers, manufacturers, products and specifications on GlobalSpec - a trusted source of Ceramic Ferrule information.

CoorsTek is the global leader in technical ceramics. With over 50 locations worldwide, CoorsTek manufactures advanced ceramic components for virtually every industry.

Blasch ceramic ferrules provide more effective waste heat boiler tube protection and allow for much greater design flexibility than traditional refractory systems.

Discover high-tolerance custom ceramic parts for aerospace, medical, & power generation with fast 48-hr. quotes from LSP Industrial Ceramics.
