

EU Low Voltage Complete Equipment Manufacturer

EU Low Voltage Complete Equipment Manufacturer

COPCO is a professional contractor of low voltage electrical installations and medium voltage power networks. Our 16 years of experience in electrical installation works, busbar assembly, and service of ...

In the low-voltage (LV) segment, ETS manufactures cabinet-type and wall-mounted switchboard assemblies that provide power distribution for office buildings, public infrastructure, as well as heavy ...

BES Group supply a wide range of high, medium and low voltage equipment to meet customers' specific requirements for the generation, transmission or distribution of electricity.

We produce low voltage switchboards for distribution and motor control centers, certified according to IEC61439-1 and IEC61641 standards. We are specialists in the production of critical power supply ...

PACE Networks supply a range of low voltage equipment from a portfolio of leading European manufacturers. Many products in stock now.

Eltech Solutions OÜ – design, manufacture and sale of electrical equipment. Eltech Solutions' core business is the engineering, design, consulting and construction of low, medium and high voltage ...

Since 1990, Power Europe has been engaged in the design, manufacturing, and sale of electrical transformers and reactors with power ratings up to 20 MVA for industrial, civil, naval, and military ...

Everything from a single source. From geared motors, frequency inverters, controls and software to individual drive solutions.

Plant of Insulating Equipment (PIE), located in Ukraine, is a leading manufacturer of fiberglass dielectric ladders and insulating equipment for safe work at height under voltage.

ABB provides a full range of low voltage solutions to connect, protect, control and measure a wide range of electrical installations, enclosures, switchboards, electronics and ...
