

Fiber stripper low-loss RoHS compliant

Fiber stripper low-loss RoHS compliant

Buy Fiber Optic Strippers. Newark Electronics offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

Jonard Fiber Optic Tools are made of the highest quality materials, offer superior performance and are the most durable in the industry. Jonard Tools are user friendly and are RoHS and REACH ...

When working with optical fiber, you don't want your work to be compromised by accidentally damaging a fiber. The Fiber Optic Micro-Strip Tool Kit provides an easy and efficient way to strip fiber optic ...

Fiber Stripper, Slit and Ring Fiber Tools #15062C
Fiber Stripper, ...

Efficiently handles all fiber types - strips fiber zip cord, loose tube, and tight buffered strands with equal precision. First hole exposes Kevlar strength members, second removes buffer coating, third cleanly ...

Mechanical fiber strippers for Large Diameter Fibers (LDF) for removing various coating materials from windows and fiber ends. Here you'll find the full range of products available at LASER COMPONENTS.

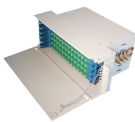

Jonard Tools manufactures a large range of fiber optic stripping tools specifically designed for technicians in the fiber optics industry. Jonard Tools is committed to manufacturing our products with ...

Fiber Stripper, Slit and Ring Fiber Tools #15062C
Fiber Stripper, Slit and Ring Slits and removes fiber jackets from 1.2mm - 6.4mm Slitting V-block is removable and reversible to accommodate various ...

Equipped with precision factory-calibrated V-blades, it ensures reliable, low-loss connections during FTTH and FTTx fiber optic cable preparation. Lightweight and ergonomically designed, it is ideal for ...

Fiber Stripper - 1 MM POF - 20990001045 - HARTING Connectivity & Networks. Category: Tools, Type of tool: Fibre stripper, RoHS: compliant, ELV status: compliant.
