

German Buh multimode fiber optic patch cord

German Buh multimode fiber optic patch cord

FS offers OM4 multimode fibre patch leads & cables 50/125 with bend insensitive fibre design that support 40G/100G cablings. 100% end-face, 3D interferometer, IL& RL tested.

Multimode simplex and duplex fiber patch cords are most commonly used in campus networks and other short distance applications. 62.5/125um and 50/125um are the most common core and cladding ...

Thorlabs offers a variety of step-index and graded-index multimode fiber optic patch cables with standard FC/PC or SMA connectors, including square-core fiber.

Without sacrificing quality and for optimal connections of your fiber optic links, SFP3434 compatible patch cables from BlueOptics are the most price-conscious choice.
