

Gigabit single-mode indoor fiber optic cable

Gigabit single-mode indoor fiber optic cable

Our duplex 9/125 fiber cable has a two-fiber internal cord design that allows real-time communication between devices. These duplex singlemode fiber cables are essential for workstations, servers, ...

Proterial Cable America; high quality manufacturer of single mode fiber optic cable - providing cabling solutions for efficient, long-distance data transmission.

NEATEL's The Single-Mode (SM) Breakout Indoor Fiber Cable is designed for high-performance, secure fiber optic connectivity in indoor environments. Unlike tight-buffered fiber cables, this breakout-style ...

- Available with bend-insensitive single-mode and multimode optical fibers - Flexible, flame-retardant and UV-stable outer jacket - Optional Interlock Armor provides robust protection and supports one-step ...

Engineered with Corning® glass singlemode OS2 fiber, this cable supports 1 Gigabit speeds up to 10,000 meters and 10 Gigabit speeds up to 5,000 meters at 1310nm and 1550nm wavelengths.

High-performance Single-Mode Distribution Indoor Fiber Cable—ideal for 10G/100G+ networks. Features bend-insensitive fibers, riser/plenum jackets, and easy termination. Perfect for data centers, ...

Companies and installers today are transitioning from the old standard of copper cables to Indoor Singlemode Plenum Fiber Optic Cables. The reason, simply because it offers the transmission of ...

Our indoor/outdoor singlemode cables are a good choice for all-around use. These cables provide ease of installation inside and feature outer jackets that provide UV, fungus and flame protection for ...

Belden's extensive line of indoor and outdoor cable products is offered in tight buffer and loose tube designs. Armored, burial, and ruggedized designs are suited to a host of industrial environments.

10Gtek focuses on developing high performance cable and transceiver solutions for data center, HPC and AI applications. The main products include Transceivers, Direct Attach Cable ...
