

Guyana pre-stranded optical cable manufacturer

Overview

ENet now connects seven of the country's ten regions via fiber and remains the only operator to run submarine fiber cables to Regions 2 and 7. Bartica, once seen only as a transportation hub, is now also a centre for digital connectivity. Prime Minister Bridgadier (Ret'd) Mark Phillips commissioned a new multi-billion-dollar direct submarine fibre-optic cable, marking a historic moment for the region and closing the long-standing digital. Following a successful partnership in 2019 on Kanawa with SCF, Orange decided to join forces with Digicel in order to extend Deep Blue One subsea cable to French Guiana. GIC is at the forefront of digital transformation in Guyana, deploying a state-of-the-art terrestrial optical fiber network ring and 5G network. The milestone ushers in gigabit-speed.
