

How much does it cost to customize a network cabinet in Eastern Europe

Overview

No cost program for data center and IT professionals who purchase multiple server racks + cabinets each year. Free design consultations, dedicated customer service representative, pre-installed components, discounts on shipping, custom colors and other exclusive offers. The good news is that network cabinet prices range from as low as \$100 for basic wall-mounted units to over \$3,000 for specialized outdoor models. However, understanding what drives these costs will help you make a smart buying decision. In this complete guide, we'll break down everything you need. If off-the-shelf server rack cabinets don't meet your exact requirements, contact Eaton for a custom rack solution! Our in-house rack specialists will work with you to build the server rack enclosures or open-frame racks that meet your exact specifications and budget. Add smart technology for easier management. It lets you monitor remotely and control access better.
