

# **Madagascar Electrical Cable Tray Seismic Supports and Hangers**

## Madagascar Electrical Cable Tray Seismic Supports and Hangers

We offer a pre-engineered, time-saving solution which braces and secures non-structural equipment within a building to minimize damage from earthquakes or seismic events.

The innovative line of nVent CADDY Bracing Systems was developed to help keep fire sprinkler systems intact after a seismic event and to minimize water damage resulting from leaks or ruptures.

Download the catalog to learn more about our assemblies featuring TOLCO seismic products and B-Line series products that are pre-approved for California Building Code (CBC) 2013, 2016 and 2022.

The checks of the analytical review guidelines are formulated to ensure that cable tray and conduit supports are seismically rugged, consistent with the above observations from the seismic experience ...

Selling the complete line of Badger Industries seismic bracing products. Badger is the leading manufacturer of rigid and cable seismic bracing hardware for suspended Equipment, HVAC Duct, ...

The assembly connects the structure such as a beam or ceiling, to a brace member which could be cable, channel, or pipe to a non-structural support, such as pipe, trapeze, cable tray, duct, and more.

This article discusses the importance of seismic resistance for cable trays, detailing when seismic braces are necessary, the factors that affect seismic ...

Seismic Cable Bracing Systems for Lighting or HVAC designed & engineered to limit sway during a seismic event. Strong, easy to install, and cost-effective.

Cablofil Wiremesh Cable Tray concept based upon performance, safety and economy; three qualities which make Cablofil Wiremesh Cable Tray system preferred by installers. Cablofil adapts to the most ...

Selling the complete line of Badger Industries seismic bracing products. Badger is the leading manufacturer of rigid and cable seismic bracing hardware for ...

UNISTRUT Seismic Bracing Solutions Unistrut is a global leader in seismic bracing solutions and is a go-to resource for Engineers, Contractors, Specifiers, and others. We have decades of experience ...

Atkore has a comprehensive line of seismic channels and fittings, along with a complete line of hangers, pipe clamps, concrete inserts, and accessories.
