

## Malaysia Inquiry for 40G Optical Network Switch

### Overview

Ask for quote, call us at +603 6148 8878 or email us at [enquiry@v-network.net](mailto:enquiry@v-network.net)  
netRuijie 24-Port 10G SFP+ Full Layer 3 Managed Core Switch with 40G Uplink SWITCHES RUIJIE NETWORK SYSTEM Johor Bahru (JB), Malaysia, Selangor, Kuala Lumpur (KL), Perak, Skudai, Subang Jaya, Ipoh Supplier, Suppliers, Supply, Supplies | AIASIA TECHNOLOGY DISTRIBUTION SDN BHD AIASIA TECHNOLOGY. Experience high-speed and reliable data transmission with the Ruijie Reyee 40G-QSFP-LR4-SM1310 QSFP+ Transceiver Module. Designed for seamless connectivity, this LR Single-mode Fiber Module is engineered to meet your demanding networking requirements. With a wavelength of 1310nm and LC interface. 40G QSFP+ optical transceivers deliver exceptional network speed and capacity, making them ideal for high-density environments such as data centers, enterprise backbones, and cloud infrastructure. These powerful and compact modules enable robust and efficient data transmission, supporting the. • We sold thousands of our SFPs in Malaysia and in Asia Pacific since 2014 with fantastic track record. • The QSFP-40G-LR Transceiver is fully compatible with devices from MikroTik, Ubiquiti, TP-Link, Soarnex, most Cisco and others. • Usage of this SFP allows you to upgrade specific switches for.

Model: RG-S6120-20XS4VS2QXSRUIJIE RG-S6120 24-PORT 10G SFP+ FULL LAYER 3 MANAGED CORE SWITCH WITH 40G UPLINKRG-S6120 series switches are next-generation 10G Ethernet switches with high performance and high security newly launched by Ruijie. Adopting advanced hardware architecture design and Ruijie's. Please refer to the product description for accurate specifications. Extreme Networks 40G QSFP+ 3m DAC at vnetwork.

## Malaysia Inquiry for 40G Optical Network Switch

	<p>Advancenet Technology is a leading Networking and Internet related Distributor of the best of breed products, services and solutions in Malaysia since 1996. In the last 25 years, we have built a ...</p>
