

# **New Long-Distance Optical Transceiver**

## New Long-Distance Optical Transceiver

GigOptics is a leading supplier of Optical Transceivers in the USA. We offer a wide range of products at great prices with fantastic service (SFP, SFP+, SFP28, QSFP+, QSFP28, XFP, etc.).

The Fiber Optic IEEE-1394b SFP (FW-SFP-FO-1394B) is a compact, fiber optic transceiver providing IEEE-1394b connectivity through a LC connector. These fiber optic SFP's transmits up to 150 meters ...

Optical Transceiver Modules/SFP, also called fiber optic transceiver or optical transceiver, is a typically hot-pluggable device used in high-bandwidth data communications applications.

FS 25G SFP28 optical transceiver solutions offer a wide variety of high-density and low-power connectivity options for 25 Gigabit Ethernet, telecom, and data center. Click to get your 25G SFP28 ...

Discover the top 10 optical transceiver manufacturers advancing 400G and 800G modules powering hyperscale data centers and next-generation networking infrastructure.

We deliver 155Mbps, 622Mbps, 1.25Gbps, 2.67Gbps, 4Gbps, 10G, 25G, 40G and 100G (including 1310nm, 1550nm and CWDM wavelengths) optical transceiver modules with SFP, SFP+, QSFP+, ...

Mouser offers inventory, pricing, & datasheets for SFP Fiber Optic Transmitters, Receivers, Transceivers.

Currently our products are widely used in Telecommunication, CATV, FTTX, WANs, LAN, Gigabit& 10 G Ethernet, SDH/SONET, Fiber Channel, Roadway safety, Data-video Transmission, Long-distance ...

1.25 Gbps optical transceiver with up to 120 km range, 1270-1610 nm wavelength, and LC connector. Features low receiver sensitivity and reliable performance. Cost-effective 1.25G SFP transceiver with ...

Deploy Huawei SFP-10G-USR 10G SFP+ optical transceiver for short-reach multimode 850nm links up to 0.1km. Check live stock and competitive price. Global Shipping & Tech Support

Optical Transceiver Modules/SFP, also called fiber optic transceiver or optical ...

## Contact Us

For more information, pricing, or custom data center solutions, please contact us:
