

Paraguay OPGW Fittings Upgrade Version

Motor protection controller

Overview

Both a download clamp (FDOA-XXYY; sold separately) and a furcation kit (AXOFC01; sold separately) are recommended for torsional resistance and ease of installation. AFL Global's Apex OPGW Connector Kits provide reliable and efficient connections for optical ground wire cables. They are typically installed in pairs and can be modified to accommodate a wide range of OPGW cables. This is thanks to our unique position of having access to the major manufacturing processes: MCVD (Modified Chemical Vapor Deposition), OVD (Outside Vapor Deposition), VAD (Vapor Axial Deposition) and PCVD (Plasma-activate Chemical Vapor Deposition). This enables. An experienced and reliable supplier of Hardware Fittings and Accessories for Distribution & Transmission Overhead Line Network applications. During installation the cable will slide free under the U-Bolts, or if preferred, U-Bolts may be removed. The company has successfully built and put into operation the OPGW dedicated for export, becoming one of the few enterprises in the north with the production capacity of OPGW products dedicated for export.

Paraguay OPGW Fittings Upgrade Version
