

Peric Island Distribution Box

Peric Island Distribution Box

If you scope out guard uniforms & the delivery truck you can enter the front gate & use any vehicle to arrive on the island.

A Guide on How And Where To Find Secondary Loot Target Outside and Inside The Compound (Optional) Prep at the Cayo Perico Island in Grand Theft Auto V Online...

Does anyone know if it's possible to expand how far you can move your mouse on the esc map? Currently, unless you're on Cayo Perico, it will only let you move your map a certain range

You can find it by looking in the box, it's a blue torch, search the box and head back to your sub. Also when searching for the box try to avoid staying in the enemy cones for too long and bumping into ...

After years of missing an updated and optimized resource for the category I present Monarch Cayo, an IPL loader that uses ox_lib functions to load only the IPLs needed for the island of ...

We found one near the Supply Truck, another to the west of the central part of the island, sitting on top of a box. The third was found in the northeastern area of the map and the fourth was close to a tower ...

While the Panther Statue is one of the most lucrative rewards in the Cayo Perico heist, you're not always guaranteed to get it. You'll need to change your target to be able to see if it's available or not and ...

It was just a fun little project. I guess speedrunners could use this to reduce a variable since even the quickest math-heads among you take probably 3-5 seconds to solve it, while using ...

The E key for the pre-mission on Perico Island cannot intrude into the signal box.

The complete map of Cayo Perico Island in GTA Online. The map shows all spawn points for secondary targets, equipment items, vehicles, and so on.

Located on the island are two docks, an airstrip, a heavily fortified villa compound, an numerous facilities producing or shipping illegal drugs, mainly cocaine and marijuana.
