

# Supplier network security equipment 25G

## Supplier network security equipment 25G

Featuring low power consumption, high speed, this 25G transceiver is ideal for 25G Ethernet, telecom, and data center. Note: The FS P/N is changed from SFP28-25GSR-85 to SFP-25GSR-85, but the ...

GLGNET offers a wide range of products to meet your diverse networking needs. Our product lineup includes SFP cages, SFP+ cages, SFP28 cages, and QSFP cages, allowing you to source all your ...

Our 25G SFP transceivers (including BIDI variants) provide a balance of speed, efficiency, and reliability for data centers, enterprise networks, and telecom infrastructure. These modules support both fiber ...

ADI is the leading global wholesale distributor of security, AV, and low-voltage products. Shop today and learn more about ADI Global Distribution US.

Featuring a 25G SFP28 uplink, 12.5 Gbps IPS/IDS throughput, and support for up to 1 million concurrent sessions, this 1U rack-mount appliance is built to handle large-scale enterprise and campus ...

10GTEK offers full line of 25G SFP28 AOC for Cisco, Juniper, Brocade, Intel, HP, IBM, Dell, SUN...Direct shopping online Promotion

Enable superior networking performance with the Extreme Networks SFP28 Transceiver Module. This module features an Ethernet 25GBase-SR interface and LC multi-mode that offer a maximum ...

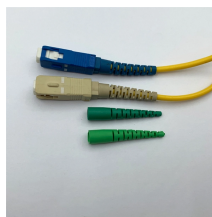

PacketMAX: Advanced Aggregators are a 1G, 10G, 25G, 40G, 100G packet broker line that offers full high density aggregation, load balancing, and filtering.

The SFP-10/25G-BXU-I transmits at a 1270nm wavelength and receives a 1330nm signal. The module requires RS-FEC on the host ports for full reach operation at 25G.

Featuring low power consumption, high speed, this 25G transceiver is ideal for ...

Affordable one-stop 25GbE networking solution  
Your search for 25GbE equipment and paired accessories stops here! QNAP offers an affordable 25GbE switch, network cards, DAC, and ...
