

UPB optical cable fixing bracket

UPB optical cable fixing bracket

UPB bracket (universal pole bracket) is manufactured from aluminum alloy, high mechanical strength and long lasting, widely used in fiber optic cable deployment system. It is used for the installation of 1 ...

The UPB is a lightweight yet high-strength bracket designed to securely mount fiber optic cables, including ADSS (All-Dielectric Self-Supporting) cables and figure-eight cables, on wooden, ...

The UPB bracket can be installed on any type of pole - drilled or undrilled - with two 20x0.7 mm stainless steel bands SB207 plus two buckles B20 (check our pole banding products).

UPB-2 Bracket Fiber cable bracket is applied with tension and suspension fiber optic cable clamps installing on different optical cable routes and angles pulling different conductors such as ADSS fiber ...

The UPB bracket is manufactured from aluminum alloy with correspondingly high mechanical strength. Its unique patented design has been developed to propose a universal fitting covering all installation ...

- Specifically designed for 10-20mm ADSS cables, ensuring secure suspension.
- Integrated neoprene sleeve effectively dampens vibration and protects the cable sheath.
- Compatible with through-bolt or ...

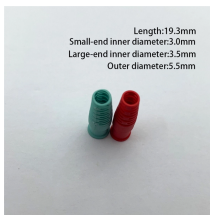

It is recommended to use matching fixing fixtures and insulated rubber to fix the down cable to the station structure, and the distance between it and the structure components should not be less than ...

The ADSS cable bracket is made of high strength aluminum, by die casting production technology, which is available in Jera line factory facility.

UPB for the installation of 1 to 3 parallel cables, of 5 drop wires, and of staysystem on all types of poles. This kind of fiber optic cable fittings can serve as a plate for the installation of cross-arms 5/14 and ...

Length:19.5mm
Small-end inner diameter:3.0mm
Large-end inner diameter:3.5mm
Outer diameter:5.5mm

Looking for a reliable solution to install your outdoor overhead optical cable? Our YK/UPB series suspension clamp bracket & fixing hook are durable, easy to install, and come directly from our factory.
