

# **Uzbekistan ODM Optical Transceiver Module 200G**

## Uzbekistan ODM Optical Transceiver Module 200G

Volza's Uzbekistan import data of Optical Transceiver Module is sourced and compiled from Global import export shipments across 80+ countries. Our datasets are updated daily, and paid subscribers ...

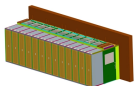

You've searched for active transceiver module buyers and importers in Uzbekistan. The import and export companies listed above are derived from Customs & Bill of Lading records.

The 200G QSFP56 SR4 fiber optical transceiver meet the requirements of large-scale data transmission in data centers by supporting 200G transmission rate, and 100 meters transmission distance are also ...

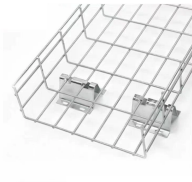

200G/400G/800G optical module features up to 40km transmission distances using QSFP56/QSFP-DD footprints for data center interconnect applications - FiberMall

Direct OEM/ODM manufacturer of 100G/200G transceivers for AI clusters & hyperscale cloud. 100% tested 100G QSFP28, 200G QSFP56, QSFP-DD & CFP2 solutions.

Automatic Assembly Line (DAC Cable) 10Gtek's automatic assembly line, assures the consistency of manufacture under the process of laser cutting, aluminum shielding stripping, isolator stripping, ...

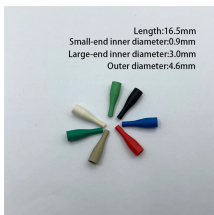

Benchu Group is a professional 100G/200G/400G/800G Modules supplier, supply Optical Transceivers for sale, custom at factory price!

200G CFP2-DCO C-Band tunable DWDM coherent optical transceiver module. MSA and OIF-CFP2-DCO specification compliant. Up to 2000km reach.

NEC has been developing and manufacturing optical transceivers for more than 30 years since the dawn of the optical communications era. Based on this extensive experience, we provide high-reliability ...

Our OEM/ODM services for 200G QSFP56 transceiver modules offer extensive customization, including tailored firmware, labeling, and packaging to meet specific client requirements.
