White Metal Cable Tray

From heavy power cable pathways on oil drilling platforms to data center cabling, explore Cablofil® Wire Mesh Cable Tray that's strong yet easy to install.

STURDY UNDER DESK CABLE TRAY: As an under desk cable management tray, sturdiness is very important - we have paid attention to this from the beginning of the design.

Constructed from sturdy metal, this 25" cable tray offers ample room for managing cables, while its mesh design prevents dust buildup and overheating, extending the life of your electronic devices.

Constructed from sturdy metal, this 25" cable tray offers ample room for managing cables, while its mesh design prevents dust buildup ...
