Will Sky Children of the Light detect teleportation when offline

Overview

If the Teleport icon is unavailable, your Friend is currently offline. The maximum number of players able to be in the same area is eight (8), and you won't be able to teleport to a Friend whose “group” is. Can this game be played offline without internet access?

No, It's an online MMO and a huge part of the game is connecting with others. There are ways to play offline but can't discuss it here and it's very against the ToS, also it would be kinda boring to be alone, no?

The game at least needs you. Is it possible to Play Sky: Children Of The Light in Offline?

Is it Possible?

I think you used to be able to, but I don't think it's possible anymore. But if you are on a flight you may be able to depending on what airline your on Like if your in Singapore airlines you may need to sign up for it. The newest game
