

Zambia Zhengding Bridge

Overview

The Kazungula Bridge is considered an essential instrument in turning Zambia and Botswana (and soon perhaps also Zimbabwe) from landlocked into “landlinked” countries. Wikimedia Commons has media related to List of bridges in Zambia. ^ "Otto Beit Bridge". Locations are listed with the left bank (moving downriver) listed first. ^ Zeller, Wolfgang. President Hakainde Hichilema has officially commissioned the Lwanginga Bridge in Kalabo District of Western Province, reaffirming the government's commitment to improving road infrastructure across the region. The small island just across is Xacumba, the easternmost tip of Namibia. The picture is taken high above the Zambezi where it is. This Guidebook on Bridge Inspection had been prepared by the Japan International Cooperation Agency (JICA) and the Road Development Agency (RDA) as a part of the Technical Cooperation Project for the Bridge Maintenance Capacity Building in Zambia.
